

Family Enterprise/Family Office

Your Professional Experience is valued here

Our client offers a welcoming and supportive setting where you can develop and make a real difference in the world. It's a family business, geared to creating lasting value and united by an ambition to change industries and society for the better. Aspiration and entrepreneurship are encouraged and rewarded with opportunity. Teams are diverse yet close-knit. Relationships matter. People matter.

What you can achieve together

One of the greatest strengths of our client is their people: talented, dedicated professionals who are true experts in their field, completely committed to the pursuit of excellence, and open to new opportunities and ways of capturing them.

As a legal counsel, you are a business challenger and a business partner in the management of regulatory risk.

Legal Counsel (m/f) ca. 80-100%

Your tasks

- You advise on Swiss financial law in general, and on private wealth management, private banking and asset management specifically
- You are responsible for developing solutions to complex legal issues in the field financial law for a range of products and group relationships.
- You draft, review, negotiate and finalize contracts to ensure high quality and efficient legal documentation
- You actively monitor new regulatory requirements and support implementation
- You work closely together with the Business, Compliance, Legal and Risk Management, throughout Europe
- You provide trainings (together with the compliance officers)
- You support the development and implementation of regulatory standards, policies and processes

Your qualification

- You have successfully completed your law degree with very good grades and have a Swiss bar exam, ideally a post-graduate degree
- You bring a relevant working experience to the table as an in-house-counsel in an outstanding multinational financial services environment and have operational experience with Compliance.
- Excellent experience and knowledge of Swiss and European (financial law (FIDLEG/FINIG, Collective Investment Schemes act, UCITS, MiFID etc.)
- You work reliably, solution-oriented and independently
- Excellent written and verbal skills in German and English

Your Benefits

- An international working environment with intercultural teams
- A wide range of responsibilities, challenges and development opportunities
- Joining a diverse group of professionals who are passionate about the work they do
- Attractive employment conditions with flexible working hours
- Office location at walking distance of public transport

Are you an exceptional legal counsel who wants to accept the challenge of doing business and doing good at the same time? I am looking forward to receiving your application to careers@nellen.ch. You can rely on our discretion.
